

HEY THERE, I'M NOUREDDINE. AN END-TO-END DESIGN LEADER FOCUSED ON BUILDING STRONG TEAMS AND SCALABLE PRODUCTS.

EXPERIENCE

DUBBER

HEAD OF PRODUCT DESIGN

2023 – PRESENT / NAARM (MELBOURNE), AU

Led the product design function for an AI-powered web app, setting direction and standards for the design team. Owned the end-to-end design process, aligning user needs, product strategy, and technical constraints. Partnered closely with cross-functional product teams while building a strong, collaborative design culture.

SIMPLE ONLINE HEALTHCARE

HEAD OF DESIGN

2020 – 2023 / REMOTE

Owned design across three brands and three countries, spanning product, brand, and marketing. Defined vision and roadmaps, built and led the design team, and remained hands-on across web, mobile, print, and brand execution while working within cross-functional product teams.

ECHO (LLOYDS DIRECT)

LEAD PRODUCT DESIGNER (PATIENT FACING)

2018 – 2019 / LONDON, UNITED KINGDOM

Led design for patient-facing web and mobile products within a cross-functional product team. Took ownership of key mobile initiatives and led a major web redesign, improving usability and consistency across platforms.

VERVE

SENIOR PRODUCT DESIGNER

2017 – 2018 / LONDON, UNITED KINGDOM

Served as the design lead within a cross-functional product team. Delivered features and projects end to end, balancing user needs with product and business goals.
